

GOLD CURRICULUM NIGHT

Gold Building | 7:00 p.m. - 9:02 p.m. | Thursday, September 12, 2013

We welcome you to join us this Thursday night to experience Neuqua Valley Gold. Throughout the evening you will be able to meet with all of your student’s teachers as you go through a modified class schedule. Along the way, you will get a chance to see all of the opportunities that Neuqua Valley High School offers our students.

The night begins immediately at 7:00pm in Advisory class. A brief video introduction and general announcements from the administrative staff will be featured in this period. Each class beyond this will meet for nine minutes, with five minutes between bells to go to the next class. Your student can complete the schedule below to help you through the night.

Here are some tips to make your night more enjoyable:

- Arrive Early! With so many cars arriving at one time, traffic will be heavy;
- Student Council Members will be on hand if you need directions;
- Be sure to bring the schedule at the bottom of this sheet;
- Download a school map from the secure link you receive via email.

We look forward to seeing you at Curriculum Night!
