

# MAIN CURRICULUM NIGHT

**Main Building | 7:00 p.m. – 8:58 p.m. | Monday, September 9, 2013**

We invite you to join us on Monday, September 9th to experience Neuqua Valley High School. Throughout the evening you will be able to meet all of your student’s teachers as you go through a modified class schedule (*see below*). Along the way, you will get a chance to see the wide range of opportunities that Neuqua Valley High School offers students.

The night begins immediately at 7:00 p.m. in the student’s 1st Period classroom. We have added an additional few minutes to this class to handle traffic concerns. A brief introduction and general announcements from the Administration team will be shown during 2<sup>nd</sup> hour on the classroom video screens. Each class period beyond these will meet for nine minutes, with five minutes between bells to go to the next class. Ask your student to complete the schedule below.

Here are some tips to make your night more enjoyable:

- **Arrive Early!** With so many cars arriving at one time, traffic will be quite heavy;
- Student Council Members will be on hand if you need directions inside the school;
- Be sure to bring the schedule your student fills out (*below*).
- Download a school map from the secure link you receive via email.

▶ At 6:15pm in the Auditorium, we will be offering an orientation for parents to **Math XL**, an online program used by students in **Geometry and Algebra 2/Trig**.

We look forward to seeing you at Curriculum Night!

▶ During a non-classroom period such as Lunch or Option, please visit the **Large Forum Room (C202)** and join the **ParentsMatter Partnership!** Assistant Principal for Student Services, Dr. Mark Kolkman will introduce the student services team, including social workers, deans, and our school resource officer to briefly update and inform parents on substance abuse education and awareness, new tardy and electronic use policy and other school climate and safety initiatives for 2013-14 school year.
