

INTRAMURAL VOLLEYBALL

A. Rules:

1. Volleyball is a co-ed sport, which means your team **must comprise** of males and females, which have to represent your team on the floor (they just can't be on your roster and not play).
2. 6 players play at one time: 3 guys and 3 girls. You can play with a **minimum of 2 guys/girls** but no fewer.
3. We will follow IHSA Volleyball rules
4. Students, under no circumstance will be able to be added to the roster once the first I-M game has been played.
5. Participants may not be involved in a current Athletic Season and are not allowed to participate in I-M Volleyball if they are excused from their team.

B. **Roster:** it is suggested that your team has a minimum of 8 players. Take into account the members of your team may have a job or outside commitments, please have enough subs on your roster.

C. **Forfeiture:** if your team is unable to make a game please contact the I-M Director ASAP (nvhs-intr@ipsd.org) and notify your opponents. If it becomes a habit, your team may/will be dismissed and **members of your team may be excused from Intramurals for the remainder of the school term.**

D. **Equipment:** we will provide the equipment under the assumption you will care for it. You must be dressed in athletic wear and tennis shoes in order to participate.
