College Board, Khan Academy and Linking

- College Board is a non-for-profit organization that connects students to college success and opportunity.
- Khan Academy offers FREE personalized practice exercises, videos, and SAT Math, Reading & Writing practice exams.
- Did you know your student's SAT results can be accessed through Khan Academy when the account is linked to their College Board account?

The Guidance Counselors will be on hand to show students how to create a College Board account, link it to Khan Academy and explain the benefit of having both!! **PLEASE BRING YOUR STUDENT AND THEIR CHROMEBOOK.**

This session is geared toward 8th – 12th graders.
