General Meeting Presentation (Nov 12 @ 6:30 pm):

Course Sequencing, AP Classes, Dual Credit options

- Do you ever wonder what are the best classes to take and in what sequence?
- Do you know which classes will save you money in college?
- What are Advanced Placement classes and why do students shy away?
- Do you want to know more about dual credits?

Join us at the next meeting where Dr. McBride and Guidance Counselor, Sandy Schuler, will explain these options and benefits including college cost savings!! You will also hear directly from students as they share their own stories.

IN OUR SCHOOL:

One of our missions in this organization, as well as the school district, is to bring more diversity to our staff at Neuqua. Dr. McBride is committed to this goal and has obtained and hired several teachers, counselors and administrators. Here we are introducing a veteran!! Ms. Stacey Welton is Assistant English Department Chair at the Freshman Building and teaches Honors and College Prep English. She has been at Neuqua for seven years and sponsors the Black Student Alliance. When you see her, please introduce yourself and say HELLO!!

Ms. Stacey Welton

Assistant English Department Chair

I am truly blessed to be in the field of education. Children need teachers, mentors, coaches, leaders, and examples of how education and obtaining knowledge, as well as applying it, is a life-changing asset. I tell my students every year that I want to merely be one brick in their learning path that helps guide them along this journey called life. If they take nothing else away from me during their year in my class, I want them to know that they matter, they are more than a grade, and to be good people.

Leadership Opportunities at Neuqua:

Thank you, Dr. McBride and Kelly Cahill, for our conversation about leadership opportunities at Neuqua at our past meeting. For more information and a complete list of student activities, please visit:
